This has a matching sofa too...

A British invasion wouldn't be complete without Foot Guards.

Or an aquarium with a yellow submarine...

There is a cafe within the store too. You can have a pastry and an espresso while you're shopping.

Dallas – The Bowler Hat

You can find interior designer Timothy Oulton's ode to his British heritage at the corner of I-30 and Griffin. The 20-foot-wide bowler hat was intended to adorn his Dallas storefront, unfortunately for Oulton, city code kept his grand vision from coming to fruition. Luckily for Dallas, Oulton donated Bowler Hat to the Cedars Neighborhood where residents and passersby have welcomed the outdoor art with open arms.
